

## COMPANY FACT SHEET

**Profile:** The Besen Group is an international management consulting practice to the mobile data industry headquartered in the Washington DC area with representatives in Paris and Tokyo.

Our mission is to provide mobile data players with tools, knowledge, and services enabling them to perform optimally in their mobile environment.

Over the years, we have worked with numerous telecom, media and industrial companies in over 12 countries, spanning 4 continents, providing them with cutting-edge strategies to future proof solutions.

The Besen Group's competitive edge lays on practical experience with mobile operators, mobile vendors, and a mobile data laboratory.

We bring global perspective and an open approach to client engagements, where the transfer of our mobile data knowledge, hands-on experience, and strategic thinking become part of our clients' ongoing competitive strength.

All of our services are tailored to ensure that each of our clients' needs are met and surpassed.

Our clients include CSPs, MVNOs, MVNEs, enterprises, system integrators, mobile vendors, hyperscalers and financial institutions.

**Services:** We offer strategic advisory, business development, market research and training services with a network of independent consultants that will support our clients in achieving enhanced business performance in the mobile data industry.
